*SAGC Photography Club has got a tremendous experience of capturing memories of multidimensional programs inside the Campus since its inception in 2015. The Facebook page of this club has got more than 17 thousand likes so far. Also glad to mention that the most efficient members of this club often participate in the Photography related programs and exhibitions held at different renowned institutions of the city and it's a matter of great delight that our club members always get a huge selection as eligible competitors and winning lots of awards/trophies, they contribute a lot to raising the reputation of this institution to a level enviable in all respects. We are very much thankful to each and every person concerned for making our efforts a real great success.*

**WE ARE PROUD TO SAY THAT OVER THE PAST YEARS, WE HAVE NOT ONLY PHOTOGRAPHED THE MOMENTS OF MANY OCCASIONS AND EVENTS HELD IN OUR CAMPUS. ALSO, WE TRAVELED AROUND THE CITY AND PHOTOGRAPHED INSTANCES WHICH RAISE THE STUDENTS FROM OUR COLLEGE TO A NEW HEIGHT. ANY FESTIVAL OR PROGRAM THAT OUR STUDENTS ATTENDED SAGCPC FOLLOWED THEM TO PHOTOGRAPH THEIR MOMENTS AND PRESERVE THE MEMORY FOR ALL TIME.**
