

Library

We have an enriched and well-furnished modern library housed on the ground floor of the C Block of the College building. In this library, one can find a huge collection of approx. 10 thousand academic and reference books including books of stories, religion, science, autobiography, history, language, games and sports, Liberation War, politics, debate and so on. Magazines and Journals of different schools and colleges with name and fame are available here. A good number of Daily and weekly Newspapers, both Bangla and English, are placed on the reading tables for the students and teachers. To make the young learners acquainted with the indelible history of Freedom fight and the life and activities of the man behind the great victory of Bangladesh, the Father of the Nation, Sheikh Mujibur Rahman, we have a Mujib Corner being duly instated on 17 March, 2020.

The students can read books of their choice during off periods sitting in the library. They can also borrow books using their library cards. An Assistant Librarian and an attendant perform their duties and responsibilities sincerely. On the working days, the library remains open from 7:30 am till 4:00 pm.
